Misery
>By: A-Chan Yuy
Authors Notes: This is in Tifa's POV.
>And if you Aeris and Cloud fans flame me too bad cuz I'm writing only Tifa and Cloud stuff.
This fic however sounds like song verses than a poem... or her thoughts I don't know...
>Disclaimer: I DON'T own Tifa or Cloud in this fic or anything else assoiciated or else
I would have the time of my life owning all the Anime stores of the world!

>Everytime you say her name
Each piece of my heart breaks.
>I wonder to myself how I ran when you faced me.
Each step pacing faster than before,
>Each time willingly to let go.
My heart doesn't want to give up,

>Still giving a hand when your down.
But my mind filled with puzzling questions,
>I don't know where to run.
Burning tears stinging my eyes,
>Not knowing when to turn,
Why? Do you love her? Do you love me?

>Or do you care for one of us and the other you love.
Every time I look back,
>I hurts much more.
Staring back there for a few seconds,
>It feels like an eternity,
Of terror,heartbreak,hope,and love.

>But nothings the same.
I feel a hand on my shoulder,
>While I try to jump,
Ending up to hear you say willingly,
>I love you Tifa.
